About Daily Minyan

Beth El's Daily Minyan is the quiet pulse of our holy community, steady and life-giving. The Jewish tradition of praying three times every day stretches back thousands of years and we have maintained our Daily Minyan at Beth El for over 100 years! We meet in the morning and then at sunset to recite afternoon and evening prayers. These short services happen every day, without fail, and distinguish us as the only Daily Minyan that prays three times a day with women and men participating equally.

The Daily Minyan enables mourners to recite Kaddish throughout their year of mourning, surrounding them with community at a difficult time. By participating in the Daily Minyan, you are supporting vulnerable members and performing a "mitzvah", an act of spiritual generosity. It is also an opportunity for your own Learn personal growth, learning, socializing, and quiet reflection.
